## MULTICULTURAL ADVERTISING

Over 18 Years of experience in the industry.

Helping clients succeed in the fastest growing multicultural market in North America.

### About Us

We're a 360 multicultural marketing agency.

DV8 is a full-service ethnic marketing communications agency that specializes in reaching out to the different multicultural markets in Canada.

We are armed with an intimate and firsthand understanding of the diversity of different cultures. We offer fully integrated marketing solutions that help you to establish your products and services within these communities.

DV8 provides the most effective, economical and dynamic solutions for you and your business.

# WE PROVIDE

### We specialize in

Developing an integrated approach and utilize effective communication channels to capitalize on ethnic markets.

### We communicate effectively

To deliver your precise message, in the precise place, to the precise audience. We offer you advantages that get you ahead of the game.

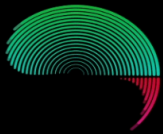

### We go above & beyond

We develop strategies & concepts, trans-create in multi-languages, create visually arresting artwork, launch plans & media for multilingual ethnicities.

### More Service

DV8 specializes in marketing and advertising to the ethnic communities in an unexplored lucrative market. Click More Service to get more information.

**We've been adding value to the ethnic marketing initiatives by partnering with top-notch industry brands.**
